## How to Stay Connected

- Keep all of your scheduled clinic appointments.
- Work as a team with your health care providers.
- Talk openly and honestly with your health care team.
- Ask questions that are important to you.

## Why Is It Important to Keep All of Your Clinic Appointments?

### Your Health Depends on It!

At your appointments

- We can check your health and make changes to your treatment plan if needed.
- We can give you the best medical care.
- You can take control of your health.

*In one large study, people with HIV who attended all of their clinic appointments lived longer.*

**Remember—it is important to come to all of your clinic appointments whether you feel sick or feel well.**

## Ways to Remember Your Clinic Appointments

- Write all of your appointments in a calendar.
- Put reminders or alerts in your cell phone.
- Put your reminder card in a place where you will see it often.
- Make sure we have your correct telephone number and address.
- Let us know right away if your telephone number or address changes.

If something comes up and you can't keep a clinic appointment, please call us at least 2 days in advance. It is important to reschedule if you miss an appointment.
